This May the EU institutions invite you to a wide range of online and on-site activities across the EU Member States, as well as in the home of the EU institutions in Brussels, Luxembourg and Strasbourg. As the 2022 European Year of Youth shines a spotlight on Europe's young people and with citizens' voices amplified by the Conference on the Future of Europe there's never been a better time to come together, discuss the challenges we all face and create a better future for Europe that works for everyone.

Happy Europe Day!
